Parent Support Meetings: for parents who live with infant loss

The GISOC Support Group is a judgment-free, safe environment for parents, friends and family to gather. We laugh, we cry, we share and we bond over our losses. Many friendships have been formed over the years and so much healing has taken place. Parents, family and friends are welcome.

My name is Penny Stastny RN; PHN. I am a retired SIDS Coordinator for OC and LA counties and I facilitate the support group for parents with an infant loss. I welcome you to come to our group. You don't need to bring anything, Parking is easy and we are always there every second Monday of the month. And we always have some snacks!

We meet at 7pm, every second Monday of the month.
